Berea
Community library

SELECTED WORK · 2026

A FULL-STACK LIBRARY EXPERIENCE

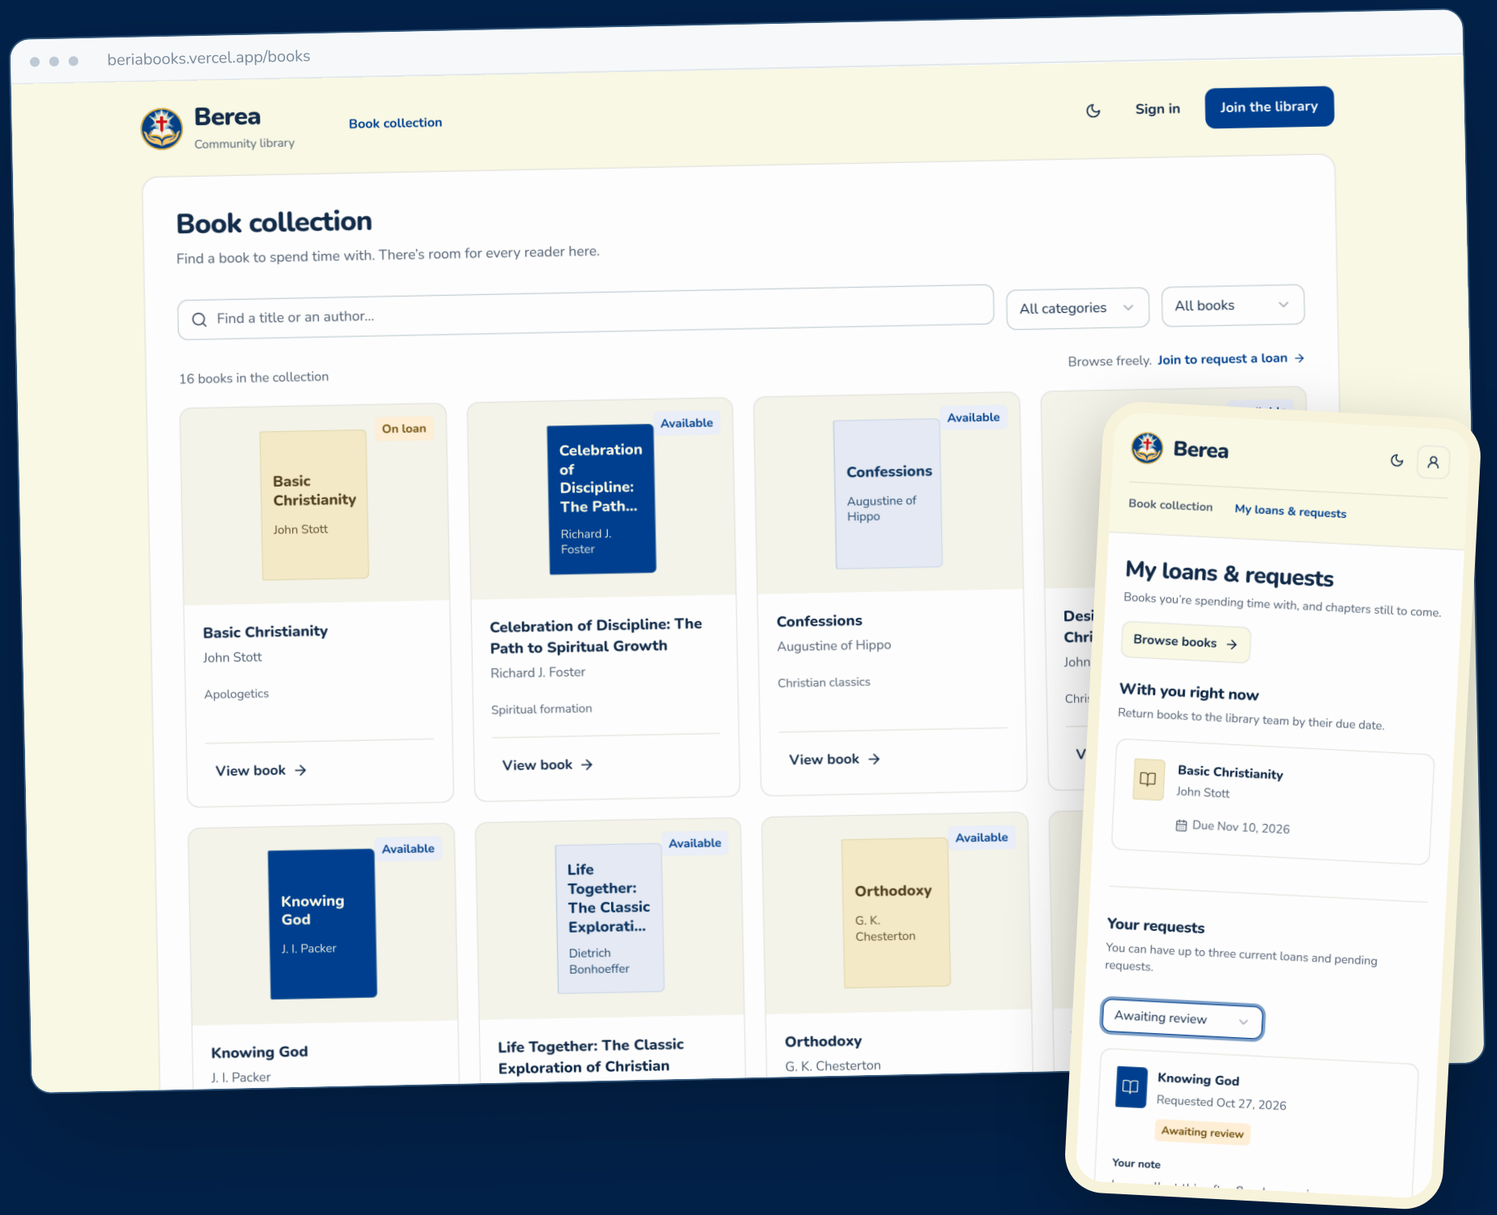

The Word, held open.

A shared collection, a welcoming reader experience, and a workspace that helps the library care for both.

Discover
A catalogue open to everyone.

Borrow
Member accounts and loan requests.

Care
One workspace for library admins.

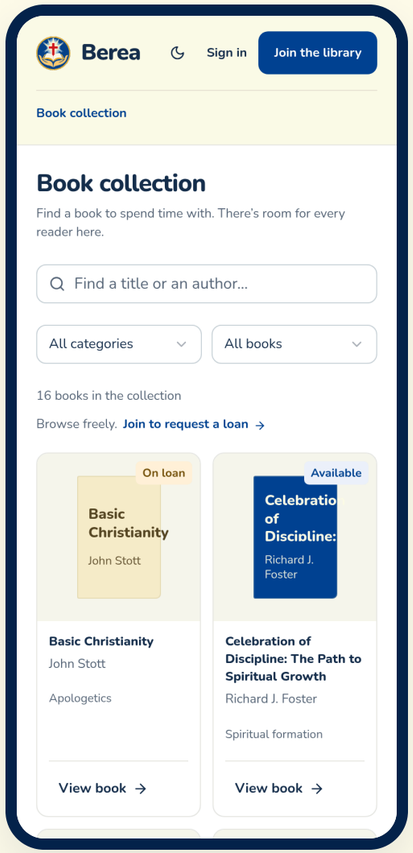

React + TypeScript · Laravel · Turso

Actual application screens · Illustrative member data

Browse. Join. Borrow.

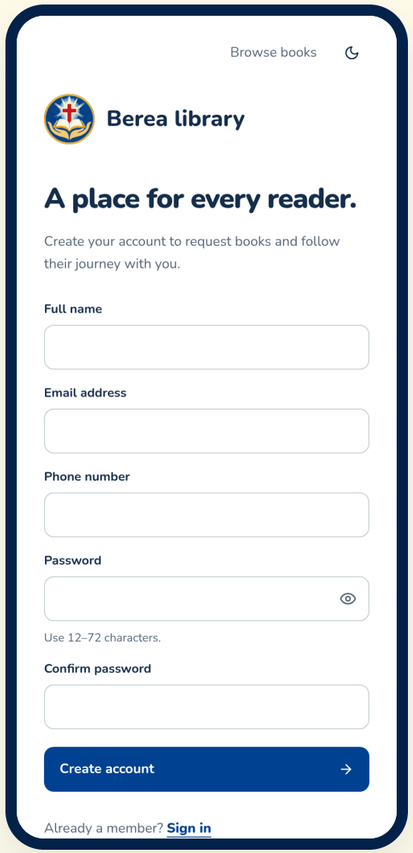

Keep the collection open to visitors, then give members a clear path to their next book.

01 Discover

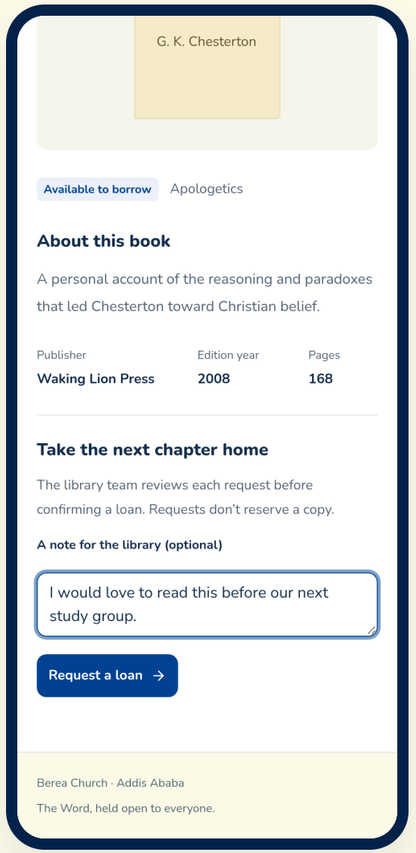

Search books and authors before signing in.

02 Join

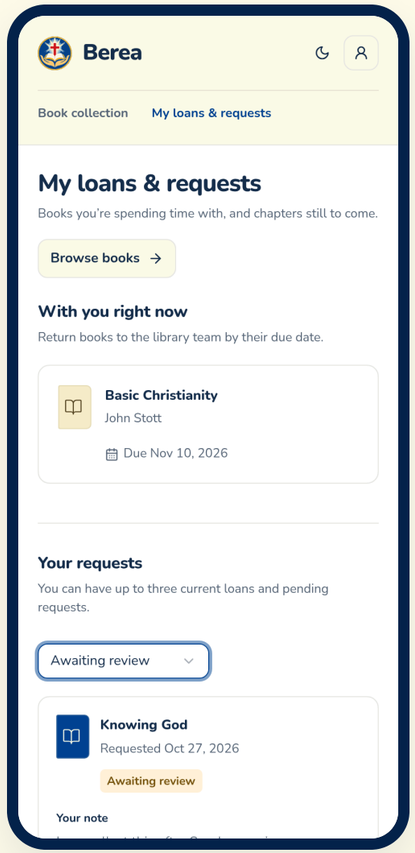

Create a member account and continue the journey.

03 Request

Ask to borrow a book and leave the library a note.

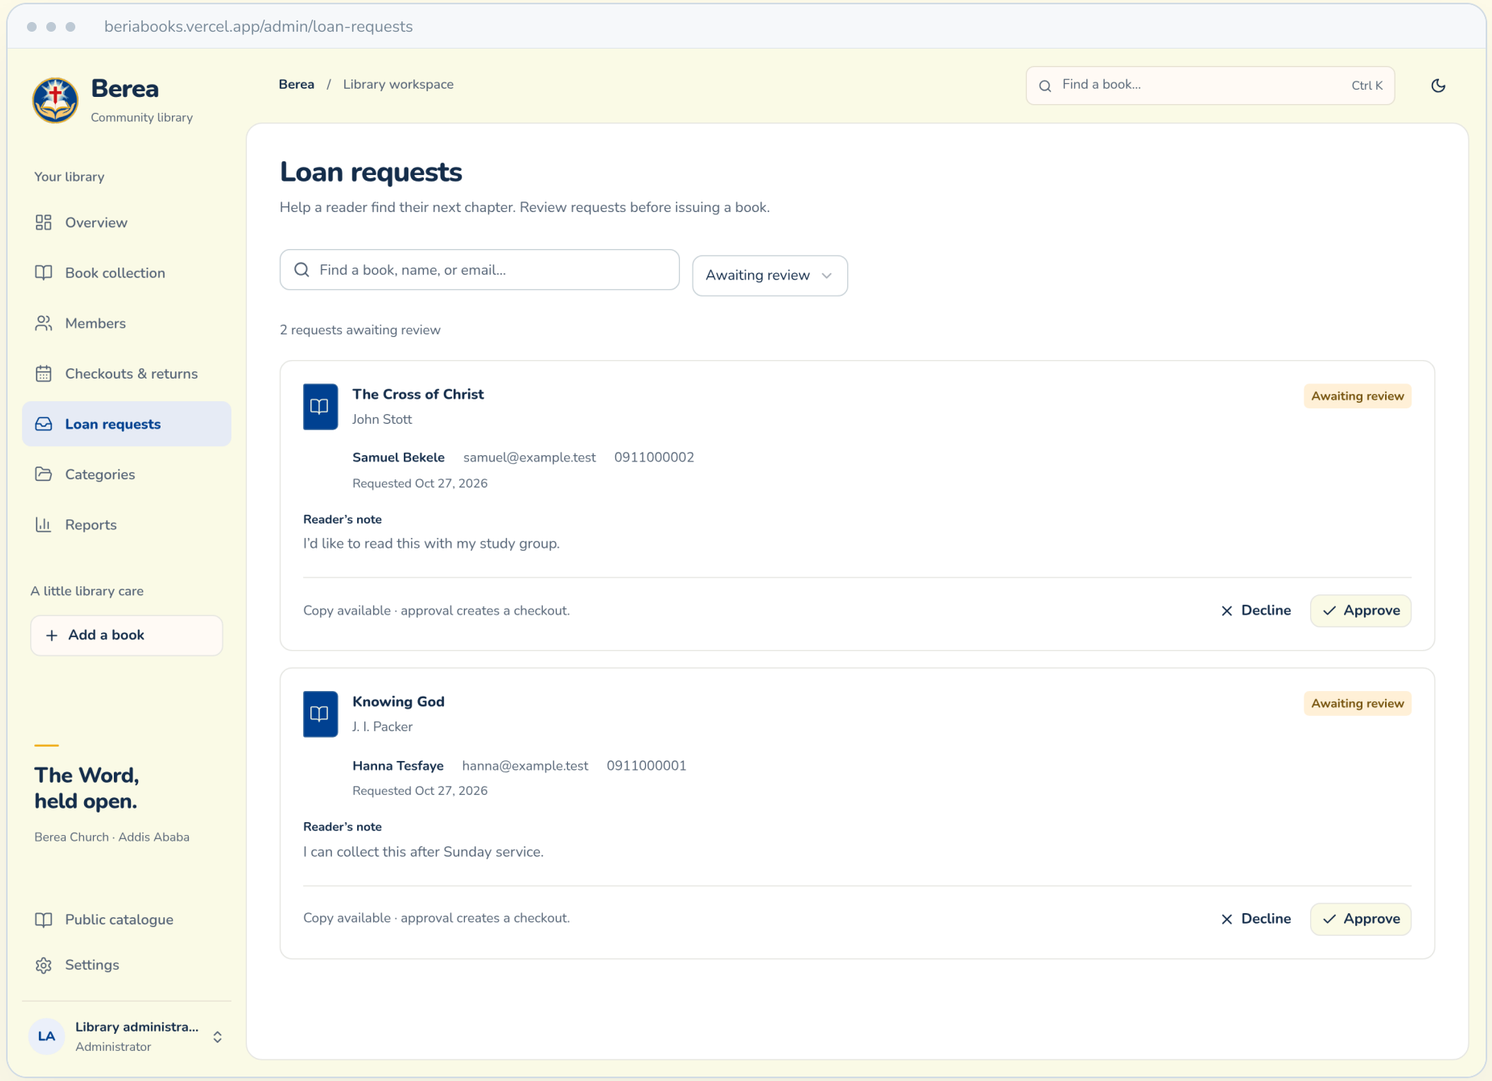

04 Follow

See due dates, decisions, and pending requests in one place.

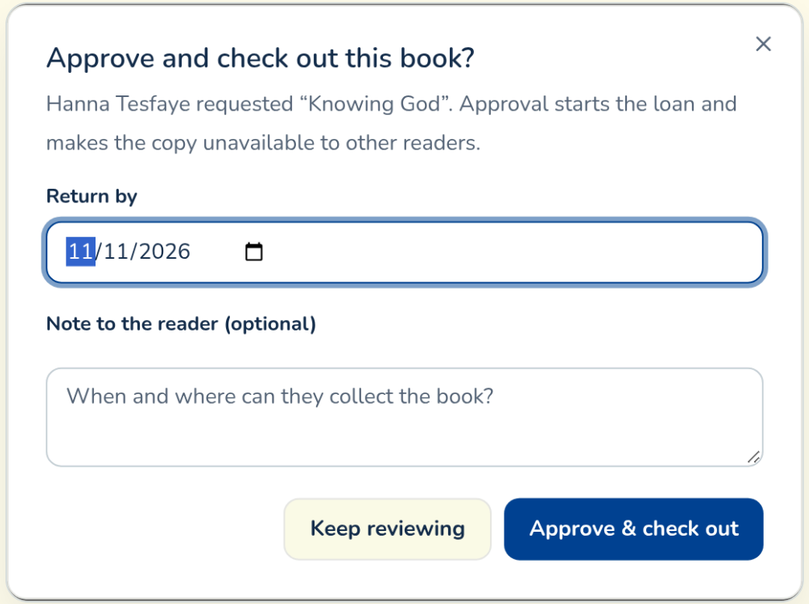

A clear next step for every request.

Separate reader activity from library administration, while keeping both connected.

Review with context.

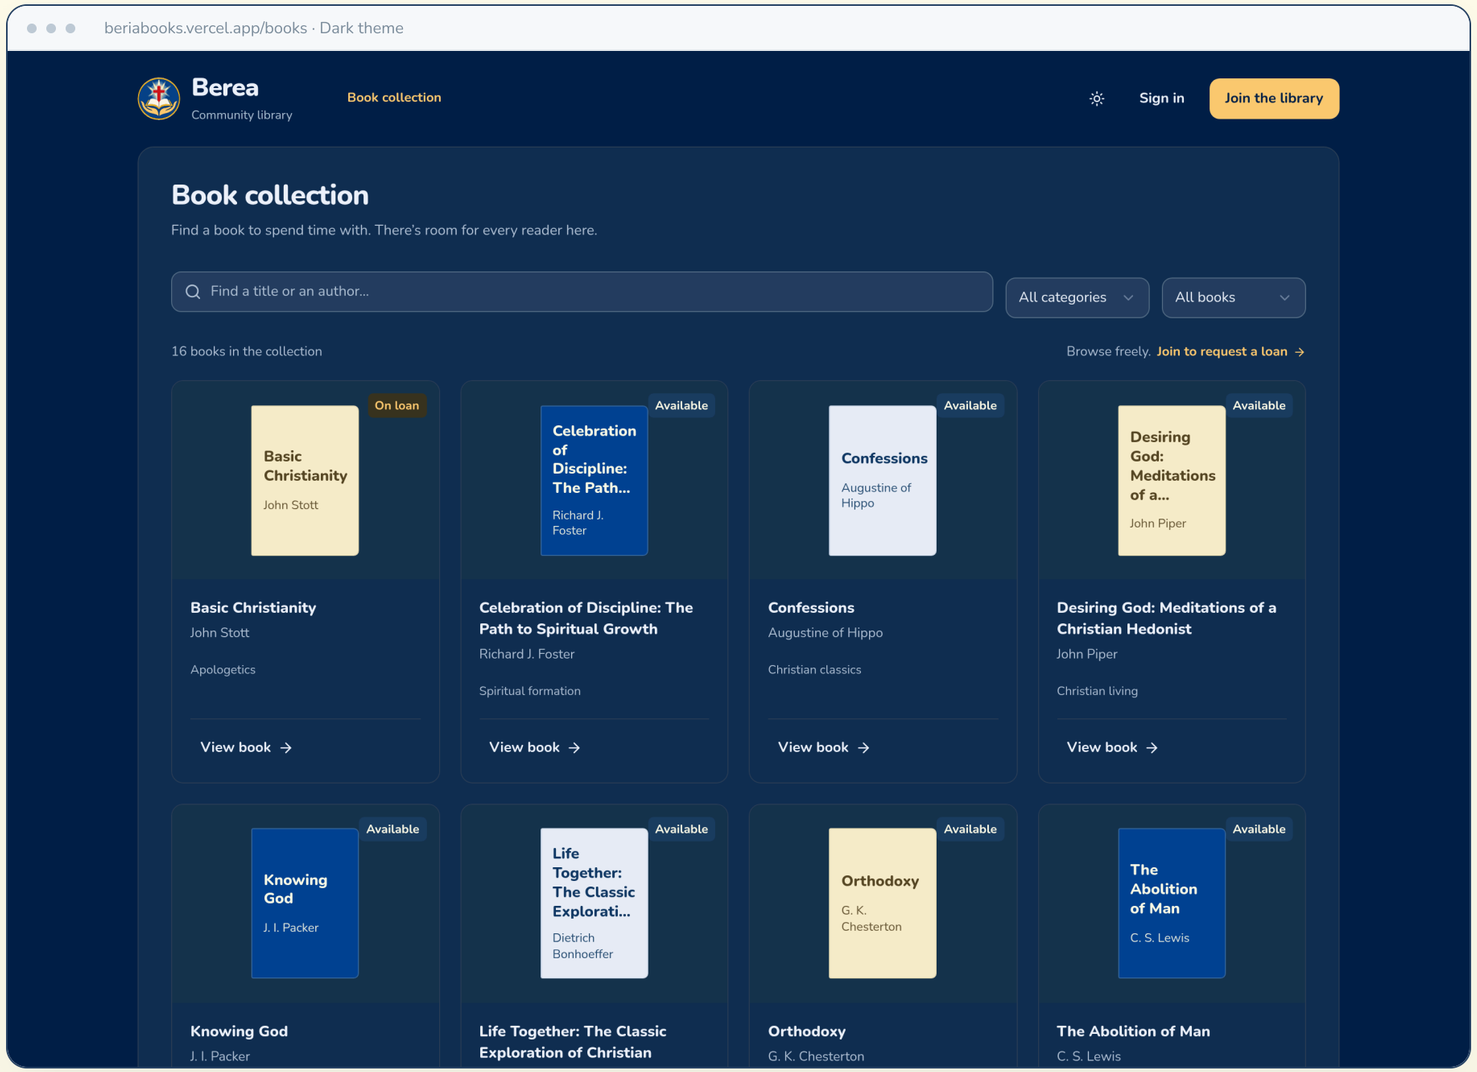

See the reader, book availability, and their note before making a decision.

Approval sets a return date and creates the checkout. The reader can follow the decision.

Warm in light. Calm after dark.

Carry Berea’s blue, gold, and parchment through the catalogue and the working tools.

Rooted in the brand.

Use color to guide actions, with readable labels for availability and request status.

Covenant Blue
#044592

Radiant Gold
